Dear friend!

I'm glad that you found my author's pattern

“Transparent Corset with cups”

I sincerely hope that it will bring you invaluable benefit! The corset pattern is given in 4 sizes: XS, S, M, L

The sizes are described on each pattern. Choose the pattern that suits you!

ATTENTION!

The pattern already has seam allowances! When printing a pattern, specify in the printer parameters choose:

“Real size”, “Scale 100%”, then measure the square for test, it must be exactly!

I wish you easy cutting and sewing!

Sincerely, Elena, founder of the Corsetcraft Academy school!
